The College of New Jersey Board of Trustees
Resolution Authorizing Participation for FY11
in the United States Department of Veterans Affairs
Yellow Ribbon Program

Whereas: The Post-9/11 Veterans Educational Assistance Act of 2008 ("Post-9/11 GI Bill") provides eligible veterans with education benefits that include a tuition and fee benefit up to the lower of the tuition and fees charged to the student or the highest tuition per credit hour and the highest fees that can be charged an undergraduate student at a public institution in the State of attendance ("Base Benefits"); and

Whereas: The cost of the College’s standard tuition and fees for out of state students exceeds the Base Benefits amount and the amount of such excess for out of state students may be referred to as the “Excess Amount”; and

Whereas: The Yellow Ribbon Program is an optional program of the Post-9/11 GI Bill in which institutions of higher learning ("IHL") may elect to participate by agreement with the U.S. Department of Veterans Affairs (the “VA”); and

Whereas: If the College chooses to participate in the Yellow Ribbon Program, it must agree to waive (or provide a scholarship or grant to cover) a portion of the Excess Amount (the “IHL Yellow Ribbon Contribution”) in which event the VA would match the IHL Contribution in the form of a payment to the College (the “VA Yellow Ribbon Contribution”); and

Whereas: If the IHL Yellow Ribbon Contribution is set at fifty percent (50%) of the Excess Amount, then the Base Benefits and VA Yellow Ribbon Contribution paid to the College along with the IHL Yellow Ribbon Contribution would cover the full cost of tuition and fee charges to eligible out of state students; and

Whereas: Participation in this program requires that the College authorize participation annually and establish the amount of the IHL Contribution and the maximum number of students permitted to participate per year; and

Whereas: Participation in the Yellow Ribbon Program honors the valuable service of our brave veterans and is consistent with The College of New Jersey’s mission to educate leaders of New Jersey and the nation.

Therefore, Be It
Resolved: The College of New Jersey Board of Trustees authorizes the College’s participation for FY2011 in the U.S. Department of Veterans Affairs Yellow Ribbon Program with IHL Contributions set at an amount approximating fifty percent (50%) of the Excess Amount for a maximum of ten (10) students.
